Please provide a short statement (2-6 sentences) on why you support the SCCOOS program. We encourage examples of how your affiliation uses SCCOOS data and products, why this information is valuable, and/or how your affiliation collaborates with SCCOOS.

My organization uses the data provided by SCCOOS to provide accurate wind, weather, and current forecasts to sailors on the coast, including the US Olympic Team. The SCCOOS data is invaluable to my organization due to its high resolution and accuracy - we couldn't provide recreational, commercial, and Olympic forecasts without it.
