

SCCOOS FY21-26 Endorsement Form

We need your help! The support from our stakeholders and partners is essential to successfully secure the resources needed to sustain the region's observing systems. In an effort to condense and simplify the submission of Letters of Support for our IOOS proposal we are requesting you submit an endorsement statement. Please provide a short statement (2-6 sentences) about how your affiliation benefits from the SCCOOS program and/or uses the data and products we provide. Please complete the endorsement google form by Friday, November 13, 2020.

Please let us know if you have questions. Thank you again for your continued support. We are looking forward to receiving your support statement.

Sincerely,

SCCOOS Program Office

Endorsement/Support Statement *

Please provide a short statement (2-6 sentences) on why you support the SCCOOS program. We encourage examples of how your affiliation uses SCCOOS data and products, why this information is valuable, and/or how your affiliation collaborates with SCCOOS.

The USCG relies on NOAA to provide oil spill trajectories during nearshore and offshore incidents. Trajectory modeling is vital to decision making and equipment deployment during pollution response cases and the SCCOOS system contributes to our ability to safely and effectively remove oil product from the environment
