

SCCOOS FY21-26 Endorsement Form

We need your help! The support from our stakeholders and partners is essential to successfully secure the resources needed to sustain the region's observing systems. In an effort to condense and simplify the submission of Letters of Support for our IOOS proposal we are requesting you submit an endorsement statement. Please provide a short statement (2-6 sentences) about how your affiliation benefits from the SCCOOS program and/or uses the data and products we provide. Please complete the endorsement google form by Friday, November 13, 2020.

Please let us know if you have questions. Thank you again for your continued support. We are looking forward to receiving your support statement.

Sincerely,

SCCOOS Program Office

Endorsement/Support Statement *

Please provide a short statement (2-6 sentences) on why you support the SCCOOS program. We encourage examples of how your affiliation uses SCCOOS data and products, why this information is valuable, and/or how your affiliation collaborates with SCCOOS.

The US Olympic Sailing Team is using SCCOOS data to understand the currents and environment in Long Beach, California, the sailing venue for the LA2028 Olympics. Detailed knowledge of the currents during racing will give American sailors an advantage and help the US Sailing Team win medals in 2028.
